

UNIVERSITY EDUCATION (IRELAND).

RETURN to an Order of the Honourable The House of Commons,
dated 30 March 1870;—for,

COPY "of DECLARATION of the CATHOLIC LAITY of Ireland, on the subject of UNIVERSITY
EDUCATION in that Country, lately laid before the Prime Minister."

DECLARATION.

"We, the undersigned Roman Catholic laymen, deem it our duty to express as follows our
opinions on University Education in Ireland.

"1. That it is the constitutional right of all British subjects to adopt whatever system of
Collegiate or University Education they prefer.

"2. That perfect religious equality involves equality in all educational advantages afforded by
the State.

"3. That a large number of Irishmen are at present precluded from the enjoyment of
University Education, honours, and emoluments, on account of conscientious religious opinions
regarding the existing systems of education.

"4. That we therefore demand such a change in the system of Collegiate and University
Education as will place those who entertain these conscientious objections on a footing of
equality with the rest of their fellow countrymen as regards Colleges, University honours and
emoluments, University Examinations, government, and representation."
